## Registration and Payment

Once you complete our registration form, a non-refundable\* deposit equal to one week of camp will be due. Jim Templeton will contact you to arrange payment of that fee. The registration deposit will be credited as a camp payment; it is not an additional fee.

You subsequently will receive a follow-up statement showing your full camp amount due for the Summer, less your paid registration deposit, and we will finalize your payment schedule at that time. In general, you will be able to pay the total balance due in two installments: on or before July 1 and August 1, 2026.

All camp billings and payments will be through the GSC Advancement Office.

*\* In the unlikely event that Camp GSC does not reach its minimum number of students, we will refund any fees paid.*
