January 12, 2022

Dear GSC Families,

Our annual Catholic Schools week celebration will take place January 30 – February 5, 2022. Our celebration will look different this year with COVID restrictions in place. However, we will CELEBRATE each day. You will receive a full schedule of events in the Wednesday email next week. We will be streaming activities for you to see and share.

Our biggest fundraiser of the year is the GSC Dance for Education, which will be held on Friday, February 4, 2022. This will also be different since we cannot gather in the gym. Games and other activities will be a part of the afternoon, as well as dancing. I am sure the students will have a great time.

As we prepare for this significant fundraiser, we ask your assistance in securing donations from family and friends. Since the entire student body benefits from this fundraiser, we are looking for 100% participation. Our goal is to raise \$75 in donations from each family. Remember to ask relatives and friends to sponsor your family in this event. Families that reach this goal will receive a N.U.T. pass for each child in GSC. To encourage donations beyond the \$75 per family, there is a prize for the family with the highest donation total.

We will continue with the on line platform we used last year. You will be receiving information by email tomorrow. Everything can be done on line. Donation may be made on line, using a credit card. Checks and cash donations may also be sent to school and they will be add to the on line totals. The children like watching their class totals increasing.

All monies raised will be used to upgrade our Technology and STREAM programs, as well as, school improvement. We have begun to replace our iPads and older Chrome books. We installed new access points in the classrooms a few months ago. We still have a few more to replace. We also need to begin replacing chalkboards with white laminate boards and window shades.

Our goal last year was \$10,000 and we raised over \$23,000. Our goal this year is \$12,000. Together we can make this happen. Please see the attached flyer.

Thank you for supporting the GSC Dance for Education.

Sister Helen
Principal
