

GOOD SHEPHERD CATHOLIC SCHOOL
SUMMER READING
STUDENTS ENTERING GRADE 3

Dear Parents and Students,

Welcome to 3rd grade! I am looking forward to meeting each and every one of you in September. For now, please take some time to rest and relax. You all have earned a well-deserved break, so take some time to enjoy yourself. Over the Summer, I am assigning you **two books** to read and it is completely up to you which ones that you choose. When you are ready to start thinking about school again, please **choose 1 of the books from the list attached and choose 1 additional book from the Who Was/Who Is series.** Once you finish reading your book from the list, please fill in the Summer Reading Book Report worksheet. (If there is no illustrator to your book, just put “none”.) We will do an assignment about your Who Was/Who Is book upon returning in September. Please bring the Who Was/Who Is book to school so that it can be used while completing the assignment.

To ensure that your student continues to practice their math skills this summer, please have them complete the attached math packet **independently.** These topics are a review of what was taught in 2nd grade. This packet will not be graded. It is only for me to see what topics the students understand and what needs to be reviewed more in depth in September. Additionally, I encourage utilizing IXL over the summer as well to review additional ELA and Math topics before the beginning of the school year. If you are unable to use IXL, please have your student practice addition and subtraction with borrowing/regrouping.

Have an amazing summer! I can't wait to see and get to know everyone once we return to school.

Sincerely,
Ms. Dillinger
