Eliminating Hunger Campaign

October 14 - 29

As a school we are coming together to take action for the Eliminating Hunger Campaign. This fall, The Giving Tree and GIANT® have partnered together to tackle food insecurity.

Our Good Shepherd Catholic community, along with other area schools, will be taking part in this program and YOU can help! Your family can create special snack bags for those experiencing hunger.

As a special incentive, our school will participate in a contest with other participating schools.
