

Library

Introduction

The use of the library has evolved over the last several years and has moved from a place where children borrowed books to a research center. Keeping in mind need social distancing, GSC will provide a safe alternative to using the Library.

Philosophy

Library resources continue to be an integral part of the academic program.

Process

1. Library will take place in the classroom. the main source for Activities such as the introduction of authors, genres and the read aloud of books will take place during Reading classes.
2. Teachers may borrow library books for their classroom.
 - a. Returned books will be isolated for 72 hours before being returned to the shelf.
 - b. The teachers will be able to select books, if they wish, based on themes in the curriculum
3. During this time the Library will be prepared for the transition to a media/resource center.
4. Much of the research that students do can be done electronically without entering the library.
