LIBRARY

Teachers and their classes always have access to the library for activities pertaining to class instruction. New methods of information retrieval involving computer catalogs, non-print encyclopedias, and Internet research are now part of the library curriculum. The library has a complete computerized system listing its holdings and its organizational processes.

* * * * *

HOMEWORK

Homework is assigned as a strengthening device and as an extension of the learning experience in school. Parents are to supervise but never do the homework of the child. Time allotments for homework are as follows:

Grades 1 & 2 about 30 minutes

Grades 3 & 4 about 60 minutes

Grades 5 & 6 about 90 minutes

Grades 7 & 8 about 120 minutes

These time allotments are inclusive of written and study homework. If your child is absent, the responsibility for completing homework still exists. The assignments should be completed in a timely fashion. Incomplete homework has an adverse effect on the student's grade.

REPORT CARDS

Report cards are issued three times a year. Marks are based on tests, class work, homework, projects, class participation and teacher judgment. Parents will have access to their child's grades at any time through an online grading program. Progress reports are issued mid-way in each trimester.

TERRA NOVA TESTING

Terra Nova testing for achievement and aptitude takes place in all grades. This testing program is selected and required by the Archdiocesan Office for Catholic Education. Parents receive a copy of the "Home Report." These standardized tests have no bearing on report card grades.

The results of the Terra Nova testing are core components in determining eligibility of students for the Honors Math program in Grades 5 through 8. The results of Grade 7 testing and the student's final 7th grade general average determine a student's application for the Neumann Scholars Program. Students who qualify for this program must submit the necessary requirements. The recipients of the Neumann scholarship are awarded partial or full scholarships to an Archdiocesan high school of their choice.

In order to be eligible for Second Honors a student must have an 88 General Average for all Major Subjects and no mark lower than an 85. In Minor Subjects (Art, Computers, Music, and Library), no mark lower than a "3" may be attained.

2. If a student demonstrates a failing average in two or three major subject areas, a conference will be held with parents to plan a future academic program for the student.

M C I U - REMEDIAL ASSISTANCE

The Montgomery County Intermediate Unit provides a counselor one day a week for all children. Referrals are made regarding individual counseling by the faculty and administration as well as through parental request. Students experiencing academic difficulty are referred and then observed by the counselor to determine if a psychological battery of testing is warranted. MCIU then schedules a testing session by a certified psychologist. A speech teacher is available to help with a particular speech problem. A remedial language, reading, and math teacher provides small group instruction each day.

SACRAMENTAL LIFE

The Sacraments of Reconciliation, Holy Eucharist and Confirmation are usually received during the elementary school life of the child. Because of the vital importance of the sacraments in the lives of all Catholics, guidance is offered to parents as primary educators in the faith. Helping parents prepare their children to celebrate the sacraments is a high priority of Good Shepherd School and the religious education staff. Children enrolled in Good Shepherd Catholic School will receive the sacraments in their respective parishes.

Reconciliation and Holy Eucharist:

1. Registry Form stating required information

ABSENCE

Success in school depends on the regular attendance of the student.

School Laws classify unexcused absences illegal except for the following reasons: illness of the pupil, death in the family, quarantine and “exceptional urgent reasons” that affect the child.

Any pattern of suspicious absence will be reported to the Main Office. Consistent suspicious patterns, if not resolved, may result in retention in the grade or dismissal from school. Such patterns include repeated single day absences that particularly fall on Mondays, Fridays, or Test Days. If a student is truant, it will result in immediate suspension. Absence in an excess of 20 days will be reviewed by the administration and an excess of 30 days may cause possible retention. If a student has been absent for more than one-half of a report period, the teacher may not assign marks for that period. “Prolonged Absence” will be inserted instead of the grades.

Pleasure trips while school is in session are not excused absences, and are discouraged.

When the student returns to school after an absence, a note will be submitted to the teacher. This note will include the reason for the absence, and dates that the student was absent from school.

In case appointments must be made during school hours, a note stating the time of the appointment must be sent to the office prior to the appointment.

No student may leave school during school hours unless accompanied by parent or guardian. Students leaving school for any reason must be met by a parent in the main office. The parent must sign a release form.

* * * * *

ABSENTEE NOTICE

For your child’s safety and well-being, we ask that you call the School Office by 9:00 A.M. on the day of your child’s absence. It is not necessary to call after the first day of a prolonged illness. If you are requesting homework for your child, a call must be received by 9:00 A.M. in order to afford the teacher ample time to gather necessary books and instructions. Homework may be picked up at the Office after 2:00 P.M.

* * * * *

LUNCH

A hot lunch is provided by the Archdiocesan Nutritional Development Service. Students who wish to participate, may order each day specified. In fairness to all the students, we respectfully request that NO fast food meals (i.e., Happy Meals) be brought to school by a parent.

The NDS Breakfast and Lunch Programs are free to all students.

If it is necessary to drop off a forgotten lunch, it must be left with the office personnel who will see to its delivery.

* * * * *

LUNCH POLICIES AND PROCEDURES

The children are seated at the tables according to their homeroom. Lunch monitors are assigned to supervise the children and assist them if needed. An overall atmosphere of calm and good order is expected at all times.

Students are expected to:

- remain in assigned seats
- leave table in order
- be respectful and courteous
- dismiss in order and silence

All students are excused to the lavatory before and after lunch under the supervision of a teacher.

EARLY DISMISSAL

Children will not be excused for early dismissal for any reason with the exception of medical appointments that could not be scheduled at any other time. The parent must sign the “Early Dismissal Register” at the time that the student is picked up at the Main Office.

A note must be sent to the homeroom teacher and approved in the office for the early dismissal.

* * * * *

LATENESS

Teachers will mark students late if they enter school after the first bell. Parents are asked to notify the School of any emergencies that could be honored and excused. Habitual unexcused lateness is unacceptable and will result in a formal notification by the principal.

Once a student enters the school grounds, he/she may not leave for any reason without permission.

* * * * *

EMERGENCY CLOSING

School emergency closing/opening is dependent on Abington and Upper Dublin School Districts.

These districts provide transportation for the majority of our student population.

In case of emergency closing:

***A phone and text message is sent to all parents regarding closure or delayed opening.**

1. Listen to KYW, or 6ABC for the school number 419
2. Visit the School website [www.gscregional.org].
3. When you hear “All Parochial Schools in Philadelphia are closed” it does **NOT** include the suburbs. Listen for the school number – 419.

* * * * *

EMERGENCY FORMS

At the beginning of each school year, “Emergency Forms” are sent home for each child. These forms are kept on file in the Main Office. It is imperative to have this information in case an emergency arises and the parent or emergency contact person must be reached. If contact information changes, please advise the office immediately.

Please provide an emergency contact in case of sickness or unexpected school closing. In cases where the parent cannot be reached, the emergency contact person will be there for the child.

Emergency permission is given and placed on file at the beginning of the school year. In the event that your child is seriously hurt and needs immediate attention, permission is given to take the student to a hospital and contact the parent as soon as possible

DISCIPLINE CODE

We believe that discipline is fundamental to life. Discipline is a necessary reflection of the philosophy of the Catholic School, which attempts to develop a fully committed Christian – a Christian committed to the observance of just rules and regulations, which will assist the individual in responding to his/her responsibilities and obligations to himself/herself and others.

Students are expected to act in such a fashion that their behavior will reflect favorably on themselves, the school, and the home. They are expected to show consideration and respect for their fellow students and teachers, thus creating a harmonious atmosphere within the school. All students must recognize their individual responsibilities and obligations and discharge them in accordance with school regulations. Students who fail to comply with school policies and regulations must accept the consequences.

The ideal of discipline within Catholic Education is to enable students to move from external discipline to self-discipline to discipleship, following the Lord and serving others.

We at Good Shepherd believe discipline is a necessary reflection of the philosophy of a Catholic School. Good Shepherd Catholic School nurtures a positive sense of self-discipline in order to provide an environment conducive to learning. Effective discipline has as its end the development of students who respect themselves, other persons and those in authority. As a general rule, the classroom teacher manages the discipline issues of the class and enlists the help of parents or the administrator in cases involving serious or repeated misbehavior.

Fair disciplinary policies are essential educational processes that should include procedures that are more helpful than punitive; yet include the necessary provisions that protect the common good of the school community.

Use of Personal Electronic Devices:

The use of cell phones is prohibited on school property without the permission of a recognized school authority. Violation of this rule may lead to an elimination of the privilege of carrying the device on school property. In Grades 6, 7, and 8, cell phones will be collected at the beginning of the day and returned to students' backpacks at the close of the day.

Teachers and students may not mention members of the school community through the personal use of social media sites such as, but not limited to Facebook, Twitter, Youtube, Snapchat, and Instagram without their consent.

The classroom teacher usually will handle disciplinary procedures individually for these classes. If warranted, however, the disciplinary procedure for Grades 4 through 8 may be administered to these students.
