

JANUARY NEWS

January 3, 2022

Dear Parents,

Happy New Year! I pray that 2022 be filled with many blessings for you and your family! Thank you for your generosity to us at Christmas and throughout the year!

GSC will be opening “in person” on Tuesday, January 4, 2022. There is no virtual option at this time. Children who are home for a period of time due to COVID have access to classroom assignments and homework via Google Classroom.

Breakfast and Lunch Menus will be sent home in the weekly Wednesday email. This week’s menus are at the bottom of the December menus. (I have attached the Dec. Lunch menu for your convenience)

This year we celebrate Catholic Schools Week January 30th through February 4th. This year’s theme is Catholic Schools – Faith - Excellence - Service. A flyer with events for the week will be coming home sometime later this month. Our “Dance 4 Education” will be on Friday, February 4th. Information will follow.

Finally, the New Year is a time to form new RESOLUTIONS. May I suggest that we all resolve to commit ourselves to keeping everyone safe? If your child is sick, please keep him/her home. Social distancing and wearing masks have become a necessity. It is not easy but it is possible. We are all in this together and with God’s help we can together we can make it through this pandemic.

Important Dates in January:

- 4 Back to school
- 18 Martin Luther King Holiday- No School
- 30 Opening of Catholic Schools week

Please remember to monitor your child’s health daily.
This is so important in keeping everyone healthy. Stay Safe!

God Bless you and your family!
Sister Helen
