

JANUARY NEWS

January 2, 2021

Dear Parents,

Happy New Year! I pray that 2021 be filled with many blessings for you and your family! Thank you for your generosity to us at Christmas and throughout the year!

GSC's latest technology improvement project was completed over the Christmas holidays. Thank you to Mrs. Mullen, our technology teacher and Mr. Steve Pagano from the technology team at the Office of Catholic Education for their help with planning this project. Endy Technologies installed network wiring for additional wireless access points. The access points are now in the classrooms instead of drawing from shared points that were located in the hallways.

This technology project was funded by our 2020 Dance for Education, which was a great success. We look forward to this year's Dance, which will take place at the end of Catholic Schools Week 2021. You will be receiving information about our Dance 4 Education in January.

This year we celebrate Catholic Schools Week January 31 through February 5th. This year's theme is Catholic Schools – Faith - Excellence - Service. A flyer with events for the week will be coming home sometime later this month.

Finally, the New Year is a time to form new RESOLUTIONS. May I suggest that we all resolve to commit ourselves to keeping everyone safe? Social distancing and wearing masks have become a necessity. It is not easy but it is possible. We are all in this together and with God's help we can together we can make it through this pandemic.

Important Dates in January:

- 4 Back to school
- 18 Martin Luther King Holiday- No School
- 31 Opening of Catholic Schools week

Please remember to complete the January Health Monitoring Contract. This is so important in keeping everyone healthy.

God Bless you and your family!
Sister Helen
