

March 1, 2023

Dear Parents,

Congratulations to our second graders who received the Sacrament of Reconciliation for the first time last Saturday. We continue to pray for them as they prepare for their First Holy Communion in May.

As you know we are beginning our yearly standardized testing on Friday, March 3rd. The standardized testing will take place in Grades 2 through 7. The students will be taking the online version of the tests. Therefore, they do not need the usual 3 #2pencils.

The In View Test will be administered on Friday, March 3rd.

The Terra Nova Test will be given the week of March 6 – 10th. The best preparation for this testing is a good night's sleep.

All testing is to be done at the beginning of the school day with classes resuming normal schedule at the conclusion of the testing period. Please make sure the children are on time each day. Once the test has begun students may not enter the classroom until the break.

Monday	Reading
Tuesday	Language
Wednesday	Math
